NIKKI BROOKS

breast-looking

Hey there! It's Shawna the intern. Returning Teen Queen of the Month Nikki Brooks (July 2008) has my favorite boobies of all BARELY LEGAL time. Sorry, I know she's a person, too, but her titties are mesmerizing!

Hey, Nikki! Why do you like posing nude?
It makes me feel confident about my body.
What do you think is your best physical feature?
My breasts. I seem to get a lot of compliments for them being natural.
I strongly agree! Do you ever show them off in public?
No, not for everyone to see—only some.
What's you favorite way to masturbate?
Well, I used to be totally against toys, but then I tried a vibrator on my clit. WOW. Now I have to do it every day.
Do you like to give BJs?
Yes. It turns me on to see the guy being orally pleased.
Do you enjoy cunnilingus?
I love it! I get very aroused when someone's tongue gets placed on my clit.
What's your favorite sex position?
Used to be doggy, now it's missionary and sideways.
What's the best way for you to come?
Suck on my boobs while in mish, and I'll come in no time!
Where do you like a guy to come?
On my boobs—unless I'm with the guy [romantically]. Then it's inside me. -->

photography by teencyberbabes

AGE: 19
HEIGHT: 5-6
WEIGHT: 128 POUNDS
MEASUREMENTS: 36D-25-36
HOMETOWN: SCOTTSDALE, ARIZ.

Do you like girls?
Yes! One time a girl gave me head while fingering me. It felt *amazing*.
Have you ever had a threesome?
Yes, with two girls. I wore the strap-on.
What kind of guys do you like?
Tall, usually Hispanic men, older than me.
What kind of girls?
Shorter than me, laid-back, usually white girls.
What's the best way for a guy to pick you up?
Humor, and he has to kill me with kindness and have a nice smile.
What's your fave sex fantasy?
Almost like being attacked, caught off guard, nice and rough, and being told what position to get in and be spanked.
What's your ultimate goal in life?
To become a famous actress and paramedic one day. ★

PANTY CONTEST WINNER

Announcing the winner of our Anniversary 2009 Panty Giveaway contest! We just had to give Amia's panties to T.C.C. of California—he's going to cherish them for all eternity!

Dear BARELY LEGAL,
Amia's photos have such a presence of poise and pizazz that I can hardly wait to get a copy of the *BARELY LEGAL #93* DVD, which would make her pictures become more alive and vibrant than they already are.

The next best thing to touching Amia would be having a pair of her panties. If I am blessed to win them, I would have Amia's underwear cremated with me when I die so that we would be intertwined forever.

Live long and prosper, Amia. You deserve it for the joy you've given so many others.

T.C.C.
California

Dear Lindsey,
Responding to [reader] M.D.'s complaint in your August issue, I would tell him to grow up. Even if you do touch-ups on the girls, even if the bios are exaggerated, even if all he asserted is true (or not), does he not realize that porn is fantasy? When I admire your beautiful girls, I don't for a minute believe all that is shown and said is true. Quite frankly, I don't care. Tracy was my favorite in this issue. When I saw the last photo in her spread, I imagined myself pumping her hot little twat while reaching around with one hand to massage her clit and with the other hand holding a tit. I envisioned pleasuring her as she squealed with delight and blasting my load inside. I enjoy BL like a good book. I don't expect the characters to be real. It's harmless fantasy.

M.
North Carolina

M., thank you so much for your letter! M.D. totally bummed me out, but you make me think we are definitely on the right track and giving you guys what you want. We'll keep doing our best!
—Lindsey

Dear BARELY LEGAL,
What can I say? I truly love your magazine. It's truly the best, and no other comes close, honestly. I've seen them all.

I'm writing to you because over the years, all the years of buying, subscribing to BARELY LEGAL and others, one girl in particular truly stands out. And every once in a long while a girl comes along that really has the total package to become a true superstar, whether in a magazine or in the porn industry. Well, that girl has arrived—Mia Lina [Anniversary 2009]. Not only does she have beauty, but a beautiful body to match, with a sexiness very few young girls can have. Her layout was fabulous.

Me and my 30 coworkers truly believe she has what it takes to be a great porn star, especially in the Latin department. I would truly encourage BARELY LEGAL to contact her again to make her make another layout and sign her to a porn contract. If she has any videos out, please let us know where we could order them. She could be the next big Latin porn queen.

BARELY LEGAL truly the best,
J.C.
Texas

J.C., we totally agree about Mia Lina—in fact, she's already made two movies for us: BARELY LEGAL #96 and BARELY LEGAL Innocence #10! If you want to order them, just call 877-325-6464, or go to hustlerhollywood.com.

Also, this was already her second time in BL. Did you miss her first layout, in our February 2009 issue? Here's a sample pic, just for you! ***—Lindsey***

Dear Lindsey,
Great Anniversary 2009 issue. In *News Flashes*, it was satisfying to see hot stars with furry pussies. Nicole [Kidman] is one hot Aussie redhead with the carpet to match.

Slumber Party caused my woody to become hard and stiff. Kihei cutie Kailea has such a pretty, furry pussy. Little Miss Deedee's full bush running from pussy to tush got me shooting a hot wad while reading her hot little sex story.

Also, Lindsey, I've seen floating around candid, hot shots of barely legal Emma Watson's hot little beaver bush showing through sheer panties.

I'm eagerly awaiting with hard dick to see the next special issue of fur-covered teen slits.

B.C.
New Jersey

We've seen that up-skirt photo of Emma Watson, too, B.C.—it's in our Anniversary 2008 News Flashes! Her furry coochie was captured like two days after her 18th birthday. It's still one of the highlights of my time here at BL. :) ***—Lindsey***

Dear BARELY LEGAL,
You have the finest men's magazine out there—always tasteful in every way. However, your Anniversary 2009 issue really blew it.

The photo I have enclosed [Deedee, page 56] is pure, unadulterated raunch! The porn-publishing world is overloaded with raunchy mags, most of which are not worth the paper they are printed on.

L.S.
Colorado

You're right, L.S.—that photo is pretty XXX-treme. We always try to be tasteful, but we also never want to be too soft. Did we go too far this time? Are we too hard? Are we too soft? I'd love to hear what all you guys out there think! ***—Lindsey***

You guys know how we have a "Young Celeb Fantasy" section in BARELY LEGAL News Flashes. Well, we get tons of letters from readers requesting celebrity girls we already ran—so many I can't answer them all! But I feel bad if any of you might have missed your faves, so I put together this list of young celebs who keep getting requested, plus the issue they ran in:

Jessica Alba (July 2006)
Amanda Bynes (December 2006)
Kelly Clarkson (Anniversary 2008)
Hilary Duff (October 2006)
Sarah Michelle Gellar (Anniversary 2006)
Vanessa Hudgens (April 2008)
Mandy Moore (August 2006)
Hayden Panettiere (February 2008)
Christy Carlson Romano (March 2007)
Ashlee Simpson (May 2007)
Ashley Tisdale (April 2009)
Emma Watson (March 2009)
Reese Witherspoon (Anniversary 2009)

Remember, you can order any back issue by sending a check or money order for $12 to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211; Attention: Back Issues Dept.

By the way, guess who is the most requested celeb? Amanda Bynes! Does that give you any ideas, Amanda? :)

ALICIA

the fuzzy end of the lollipop

photography by michael moore

Hey! It's me, Lindsey. If you can believe it, sometimes even the most beautiful girls in the world get bummed out—like high school senior Alicia. Can you help her?

Hey, Alicia—cheer up! You're in BARELY LEGAL!
I know, it's, like, my *dream*, but, well—my boyfriend just broke up with me.
I'm sorry! Did he tell you why?
Yes, because I wouldn't shave my pussy. He was all, "Either your nasty bush goes, or I go." So he went!
Did you consider maybe shaving for him?
Yes, but then I thought, if I shave, it should be for me, right? And I *like* having hair down there. I think it makes me look like a woman.
Well, you'll be happy to know that a lot of our readers will like your look. Not *all* of them, but a *lot*.
Even if it's just *one* reader, I'll be happy. I just want *one* guy to think I'm sexy just the way I am.
Well, I'm a girl, but *I* think you're sexy.
You do? Even with my giant pussy lips?
Omigod, Alicia—you're *gorgeous*. And your pussy lips look delicious.
That's good, 'cause my favorite thing is if a guy puts his mouth down there.
Does it makes you come?
It makes my body explode all over!
Do you return the favor?
Of course! I'm not selfish. I love to suck cock.
Even if the guy has a big, nasty bush?
Lindsey, don't tease! Anyway, yes, I love when guys are super hairy down there. They get that sexy man smell.
What else do you look for in a guy?
I like a guy who's all man. But not bossy like my ex!
Well, I know for a fact that our readers are all man.
I can't wait to hear from them! I will, won't I? ★

MARTA
hot-blooded

Hi, guys! Devon the intern here. High school senior Marta is a straight-A student with a dark side...*sort* of.

Hey, Marta! What made you decide to pose nude?
Well, everybody at my school thinks I'm, like, a nun just because I get good grades. But I'm also a very sexual person.
Do you have a lot of sex?
Not as much as I'd like. I'm a little frustrated by the lack of eligible boys in my school.
So, do you masturbate a lot?
I try, but...I don't know, it seems like I rub and rub forever, and nothing happens!
It can be tricky with just fingers. Have you thought about getting a vibrator?
Well, I *have* been thinking of getting this one dildo I saw online that's all sparkly. It's called the Vamp.
Omigod, everybody is trying to cash in on that lame *Twilight*!
[*Blushes.*] It's not lame!
Oh, sorry—I didn't realize you were a Twihard.
You should really read the books instead of judging. Or at least see the movies. *True Blood* is really awesome, too.
Can I ask you, what is it about vampires?
They're just, like, the ultimate bad boys. Plus, they're so tragic. You, like, want to save them.
Okay, well, back in the real world, what kind of guy are you looking for?
Someone smart and serious. And tall. And pale.
What's your favorite thing to do sexually?
I love to suck cock. It's always rewarding.
What's your favorite sex position?
From behind feels the best, but it's not very romantic. So—I'm going to go with the guy on top. Then they can look into my eyes.
Are you into girls?
I've never done anything with a girl, but the idea doesn't gross me out or anything. It just has to be the right situation.
What's your ultimate sex fantasy?
To have a threesome with Rob Pattinson [*Twilight*] and Alexander Skarsgard [*True Blood*]. Actually, maybe it should be a threesome with Rob and Kristen Stewart [*Twilight*]! That way I can try sex with a girl.
I hope it happens for you!★

ANNA MOMOI

hello again, kitty

photography by ryoko version

Hi, it's Shawna the intern. When we first met Anna Momoi (October 2008), she was in high school on a foreign-exchange program. Well, she "became so crazy about the U.S.," she decided to go to college here, too!

Hey, Anna! Welcome back to BARELY LEGAL and America!
Thank you! I am so happy to be back and living in the Los Angeles area.
What do you like about Los Angeles?
All of the pop culture is here—movies, TV, music. I am a big fan.
What are you studying, by the way?
Graphic design. I love visual arts. -->

AGE: 19
HEIGHT: 5-1
WEIGHT: 100 POUNDS
MEASUREMENTS: 32B-24-34
HOMETOWN: NAGANO, JAPAN

What do you do for fun?
A lot of shopping. Los Angeles has nice stores. I also go to Disneyland often with my friends.
Have you met any cute guys?
Yes, I have very sexy professors!
Oh, you're still into older guys?
Yes. Older guys are the most sexually satisfying.
How do you mean?
They take their time with my pussy. They lick for hours sometimes. Also, they like my hair on my pussy. Younger guys, not as much.
Are you actually *sleeping* with any of your professors?
Just my typography teacher. The rest is only flirting.
So, I guess you're getting an A in typography? LOL.
I always get top grades.
Have you done any more experimenting with girls?
Yes, my roommates and other girls at school.
So, you like guys who are older, but you like girls *our* age.
Yes, friends. Then we are just having fun, hanging out, laughing, and sometimes it becomes sexual.
Last time you were here, you said you weren't having enough sex. Has that changed?
Of course! That was high school. In college, sex is everywhere.
Is it too much sex?
Never! Are you joking me?
What's the wildest thing you've done?
Is anal sex wild?
Well, not every girl will do it. Do you like it?
It is fantastic! Now whenever I masturbate, I think about a cute guy going up my butt. It is my most dirty fantasy.
You sure are making the most of your time here.
I never want to go home! ★

SLUMBER PARTY

BARELY LEGAL'S AMATEUR PHOTO CONTEST **$2,500 GRAND PRIZE!**

ATTENTION, ALL 18-AND-OVER CUTIE-PIES! Become an amateur model for BARELY LEGAL today. Snap a clear, color picture, and mail it to BARELY LEGAL Slumber Party, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. Every little hottie whose picture we print gets $250 and a chance at the ultimate Grand Prize—a photo-feature worth $2,500. The award for the photographer of the Grand Prize winner is $250. Fill out the model release on the last page of this section, and include a color copy of a valid ID. Join the *Slumber Party*!

We've made a list, we've checked it twice, and, yes, 19-year-old **Lani** is definitely naughty—the Lahaina, Hawaii, hottie once had sex with her ex-boyfriend *and* his best friend! "We were partying one night, started watching pornos, and one thing led to another." Naturally! Lani says she's "sometimes shy," but she sure knows what she wants—she loves to have her boobs caressed, and her best way to come is to "have a guy rub his dick on my clit before sex—that way, when we have sex, I'm super heated up." As you can tell from her tan lines, luscious Lani spends lots of time at the beach, but she's also a dedicated college student, and her ultimate goal is to be a child counselor. *Aww*—can we add her to our nice list, too?

rock hard

a BARELY LEGAL confession

by donna jean hubble

Hey all! I am so stoked to be here. BARELY LEGAL *rocks*! Lindsey told me to be myself and say whatever, so here goes.

I'm Donna. I'm 18 and a senior in high school in Stamford, Connecticut. *Bo-ring*. I get pretty good grades, but school sucks. Music is my passion. I sing, and I'm getting pretty good at guitar. The minute I graduate, I'm moving to Brooklyn and starting a band. My main influences are Joan Jett, Peaches and Kittie.

My best friend is Liz. She's hot. She looks like Anna Paquin but, like, ten years younger. Liz won't be in my band, though. She's going to dance on Broadway. But still, we can share an apartment in NYC. It'll be perfect because we already share practically everything.

photography by dave naz

A couple weekends ago, we went to Brooklyn and met some cute guys—one of them's going to be my bass player. Exciting! His name is Serge. SO HOT. He's really talented and has a lot of experience 'cause he's older (31). He loves hard rock and electroclash, so we'll play together perfectly. Plus, just by the way, he's INCREDIBLE at eating pussy.

Anyway, Liz and I were in Brooklyn to see No Age play McCarren Park, but it rained so we ended up in a bar (thank you, fake ID!). That's how we met Paul and Serge. I was like, I think I'm in love. Serge looks like Fabrizio from the Strokes and he's just generally amazing.

I got pretty loose drinking Pabst and wasn't feeling shy when Paul and Serge invited Liz and me back to their apartment. There wasn't much privacy. A gauzy sheet, strung from the ceiling, divided their mattresses. Paul and Liz didn't care. We hadn't even been there ten minutes and they were humping. I could see them through the sheet, never mind they were noisy.

It could have been embarrassing, but it was okay. Serge played me a Crystal Castles CD. It was hard to concentrate, though, because we could hear Liz moaning. Before too long we gave up trying to have a conversation.

Serge rules because he likes kissing. There aren't a lot of romantic guys these days. He spent a long time sucking my tongue and running his lips up and down my neck. He pulled off my T-shirt, exposing my white cami (I hate bras!). He nibbled my nipples through the cotton. My hard nips poked through the fabric. My undies were soaking.

Serge pushed me onto my back. I wiggled out of my jeans. He covered my cooch with his mouth. I was still wearing my panties. His hot breath steamed my pussy.

Meanwhile Liz sounded like she was coming (she makes the most dramatic noises). Serge pulled my underwear to my ankles with his teeth. He raked his tongue up my left leg, from the sole of my foot to the very top of my inner thigh. I pulled his hair and gritted my teeth.

"Come *on*." I was totally dying for him to lick me.

He slid his hands under my ass and lifted me, spreading my butt cheeks. Slowly, he dragged his tongue from the tip of my swollen clit, between my labes, pausing for a second to dip into my hole, then back out to slide between my butt cheeks and *pop*! He stuck the tip of his tongue right into my butthole. He spent a while down there, tonguing my tooter. It *rocked*. My thighs rested on his shoulders, my feet on his back. I almost gazzed just from him rimming me, but he moved on to my cooch before I came.

Serge's tongue was long and strong. He plunged as far as he could reach into my pussy and twisted his tongue around, then swooped out and drag it back and forth between my p-lips.

"Omigod, I'm coming," I moaned. He was blowing me up. Right when I was about to go over the edge, he latched his mouth over my entire mound and sucked. It was too much. Girl jizz squirted into his mouth. I squealed, my hips jerking.

Serge pulled himself over me so his dick was aimed straight at my mouth. I opened wide. He fucked my face and I liked it. I guess he was pretty worked up 'cause it didn't take him long to come. He thrust deep, the tip of his cock jostling my tonsils, then went, "*AWW, FUCK*!" and came in my mouth. Some jizz dribbled down my chin, but I swallowed most of it. He tasted *good*.

It's times like these I really hate that I'm still in high school. Well, I *always* hate that I'm in high school, but times like that especially. Because instead of having a fun overnighter, fooling

around till we passed out naked, Liz and I had to leave. Curfew sucks—I can’t wait to graduate!

Oh, well. Liz and I are pretty good at whiling the time away. We don’t really fit in with all the preppy lame-o’s at our school, so we keep each other entertained. We have fun doing regular stuff together like watching movies and lip-synching/dancing to music pretending we’re famous (I know—corny!!). Also, even though we’re not gay, sometimes we take our frustrations out on each other. We’re such close friends that it’s totally cool and not weird or anything.

The last time we did it was just a few days after we first met Serge and Paul. Liz came over on a school night so we could cram for a totally heinous organic chemistry exam, but we didn’t end up studying. We started talking about our hot time in Brooklyn, and it made us super horny.

“Paul’s cock was so hard in my pussy,” Liz raved. “It was like, when he was inside me, it swelled up even bigger and, like, tugged on my clit. Coming was so easy.”

My clit puffed up. Its little head butted up against my undies.

“You’re turning me on,” I said, squirming.

“Okay,” Liz replied, not missing a beat.

I was wearing a white wife beater and blue retro track short-shorts with an elastic waist. Liz had me naked before I could blink. She sucked my pussy for a while, but what she really wanted was pussy-fucking. Once I was good and slippery, she pulled her cotton tunic dress over her head and straddled me. We were naked, our pussies slippery. She squirmed against me. I watched her petite, round boobies shiver and shake as we bumped our clits.

“*Mmmmm*,” Liz sighed, grinding. She bent down to lick my tits. Her sharp tongue dragged across my skin. She nibbled gently, then sucked, her wet lips circling my hard nipples. Her soft blond hair tickled my chest. She smelled like honeysuckle. I grabbed her ass, my fingers sinking into her cheeks.

"I'm getting close," Liz panted. She slipped her hand between our pussies and slid her middle finger inside me, rubbing her own pussy against the back of her hand. She worked us both furiously.

"*Ohhhhhh*," she moaned.

Liz was coming. Her finger jiggled furiously inside me. My pussy tightened around her finger as I came, too. My back arched, my head flew back.

"Yeah yes *YEAH*!" I gasped.

willing to come visit me here in lame-o land. I called him and he was into it. Guess he's as horny as me!

There is the crappiness that I still live with my parents, but it isn't a problem. My bedroom is on the first floor, and my folks sleep like rocks upstairs. They never hear a thing I do.

It was after 11 when Serge tapped at my window. He was so cute in his battered old AC/DC T-shirt and skinny black jeans. Tonight I didn't feel much like talking. All I could think about was sex.

She collapsed beside me.

"Here, smell my finger," she panted, sticking her hand under my nose.

"Fuck off," I laughed, pushing her away, but I must confess: I love the smell of my pussy.

It breaks up the sexual tension when Liz and I rock it, but there's no substitute for a real live penis. Only a week had passed since I'd seen Serge, but I was frustrated. I knew I wouldn't be able to make it back into the city for a while, and I didn't think I could stand it. I wondered if Serge would be

"I've missed you." His hands circled my waist.

I was shocked that he would say something so sweet. Guys can be so insensitive. Maybe because Serge is older, he's more in touch with his emotions.

"Thanks for coming," I said. "I know Stamford is totally crappy."

"I don't care," he ran his hands up my ribs and rolled his thumbs over my nips. "You're worth it."

What a sweetie. I pulled my tank top over my head and stood, topless. Serge ran his mouth down my neck and

“My pussy tightened around her finger as I came.”

between my boobs. He cupped my tits and took turns sucking each nipple. My clit throbbed in my hot pink panties. Serge slid my skirt to my feet and squeezed my booty.

"Your ass is incredible," he said. "Let me see."

He turned me around and pulled down my panties. He kneeled, running his nose and lips over my butt cheeks. He dipped his tongue into my pussy, then out, and into my crack.

"Fuck," I panted. "It feels good when you tongue me."

Serge stood up, pressing his thumb against my butthole. I bent over, gripping the side of the bed. He massaged my pussy with his index and middle fingers, and thumbed my tooter. I rolled my hips slowly, pressing myself against his hand. We moved like this for a while. He bent over me, nibbling the back of my neck, cupping my tits with his free hand. My pussy was dripping. He pulled his fingers through my butt crack, sliding my pussy juice over my butthole.

"You gonna let me fuck that ass, baby?" he said.

"God, yes," I panted.

Slowly, he glided his hard cock between my cheeks. I shivered. He teased me, dipping the tip of his dick into my pussy, just for a second, enough to make me moan and beg. He pulled out, then pushed back in, barely, then back out again.

"Please fuck me," I moaned. He planted his thumb on my butthole and plunged his dick all the way into my pussy. He fucked me for a minute, with deep, slow strokes, then pulled out.

"You ready?" He circled my butthole with his slippery dick.

"Yes," I breathed.

Slowly, he nudged it in, his cock pushing inside my behind, inch by inch. I was so horny, it didn't hurt a bit. The more he stroked back and forth, the better it felt. He held my ass and pumped, reaching around occasionally to rub my pussy and tickle my swollen clitty.

"Fuck, yeah," he said, pumping faster.

"*Uh huh*," I agreed, biting my lip, savoring the hot, full sensation of his dick in my ass.

Serge gripped me tighter, fucked me harder, until he blew a hot wad, deep. He collapsed on top of me, and we fell on the bed. He flipped me onto my back and crouched over me, panting.

"Now, fuck yourself," he said. "Let me see you come."

It didn't take much. I rubbed my pussy, dipping my middle finger into my hole, pulling my clit. With a moan and a shudder, I came.

Then I guess we both fell asleep. Serge woke up around 3, kissed me on the mouth and disappeared silently. I laid there all alone with semen dripping out of my booty.

Being young is awesome, but I can't wait to be old enough to spend all night, every night, having sweaty, crazy sex, and waking up in the morning with my man right next to me. That, and always, 24-7, rocking. ★

JASMINE

Hey, it's Lindsey. Jasmine turned 18 like five seconds ago, and she's already Teen Queen of the Month. What a little overachiever!

Describe yourself, please: I'm *not* shy, obviously. LOL. I love to look and feel sexy. Posing nude is, like, the ultimate turn-on.

Romantic status: Single, but I'd love to have a boyfriend who doesn't mind me getting naked in front of other guys. He'd be the only one who gets to touch. ;)

Best body part: Definitely my breasts. I see so many girls with fake boobs. I feel lucky that mine are all natural.

Turn-ons: Besides showing my naked body to the whole world? When a guy looks at me like he has to have me right that second. I love that hungry look.

-->

Turn-offs: People who talk big about sex, but it's just talk. Like, I seriously doubt Katy Perry ever kissed a girl. Not with *tongue*, anyway.
Fave sex position: I don't really have a *favorite*. I'm open to almost anything the guy suggests. It's exciting trying new things!
Fave way to masturbate: Just with my fingers. I have this whole system where I rub myself until I'm really close to coming, and then I stop and then start up again. It just builds and builds until finally I EXPLODE. It would be awesome if a guy would do that to me sometime—hint, hint.
Best sex talent: This might sound conceited, but I think I'm really good at sucking cock. I really get into it, and I think the guy can totally tell.
Spit or swallow: Swallow. That's the best part!
Best way to come: When someone eats me out real hard. Like, *devours* me.
To bi or not to bi: Yes, I like kitty! It's fun to lick pussy—and get licked back, of course.

Anal sex, yay or nay: Okay, I haven't tried *that* new thing yet. But I'm not saying I *won't*.
Fave sex fantasy: To have sex while someone watches. Yes, I am an exhibitionist.
Future goal: To be a famous model. Thanks for getting me off to an awesome start! ★

Will you rub me down there?
Love, Jasmine

JEWEL STYLES

better late than never

Hey! It's Lindsey. I'm sure you guys remember our super adorable June 2009 covergirl, Jewel Styles. Her life has become a lot more action-packed since then....

Thanks for coming back, Jewel!
I told you I would if you just asked.
Did you have fun posing for us again?
Yes. I think I'm less shy about it now—especially since I started making movies.
I noticed! You're in *BARELY LEGAL #96*. Was that a good experience?
It was an awesome experience *making* it, but then when it came out, some guy reviewed it online and said I was an "average-looking gal."
You're not average-looking! You're one of the cutest BARELY LEGAL girls ever!
Thank you, but it still hurt my feelings. Plus, who says "gal"?
Well, forget about that. What was the best part about making the movie?
The best part was rubbing oil on Mia Lina's back. She's so hot!
Are you still hooking up with girls?
Yes! They're *so* good at eating pussy.
Do you think girls are better at it than guys?
They're just...different. Guys are good at it, too. Hear that, guys? Please don't stop eating my pussy!
Last time you were here, you were all against anal sex because you said it hurt. Did you ever try it again?
I *did*, but—it was with a girl! She used a vibrator.
Did you like it?
I liked it *so* much, I grabbed the vibe 'cause she wasn't doing it hard enough! She only went about four inches, but I got almost the whole thing in.
***That* sounds like it would hurt.**
It didn't, it felt awesome! And then she did my butt with a strap-on, and she played with my clit at the same time, and I came *buckets*.
Jewel, are you a total lez now?
No, I love guys! In fact, I'm dying to try *real* butt sex again. I didn't know what I was missing! ★

MIMI

mini mimi

photography by steven andres

Devon the intern here. College freshman Mimi is so teeny, I want to put her in my pocket and take her home!

Hey, Mimi! How would you describe yourself?
I like to have fun, but I also work really hard. Everybody thinks this is a party school, which I guess it is for *some* people, but I am super serious about becoming a nurse.

What do you think is your best physical feature?
My boobs. They're little, but they're very sensitive.

Have you ever been naked in public?
Well, once, on a dare, I flashed a guy through my dorm window, but mostly I'm a lady.

How did the guy react?
We ended up hooking up! So I guess flashing actually *works*, but I'd rather be more subtle if I'm trying to get with a guy.

What kind of guys do you like?
Fun guys who know when to be serious—like me! I also have a thing for blue eyes.

What's your favorite sex position?
Missionary, 'cause I like to wrap my legs around the guy and pull him in tighter. It makes me feel super close to him.

AGE: 18
HEIGHT: 5-3
WEIGHT: 102 POUNDS
MEASUREMENTS: 34A-22-30
HOMETOWN: SAN ANTONIO, TEX.

Would you say you're aggressive in bed?
No, I like the guy to be in charge. I definitely want to be seduced! But I don't just lay there, I get into it.

Do you prefer hard and fast or slow and gentle?
Hard and fast! I think some guys want to be gentle with me 'cause I'm so petite, but I like to get wild. I won't break, guys!

What's the best way for a guy to get with you?
Talk to me like I'm a friend who just happens to be a girl. Let's get to know each other.

Why did you want to pose nude?
'Cause I have to admit, flashing my boobs did kind of turn me on. This was a turn-on times a million! ★

DIXIE

honey dripper

Hey, y'all! It's Devon the intern. Sweet Southern belle Dixie (November 2008) is back, and she's a *lot* less shy than she used to be.

Howdy, Dixie! What's new?
Well, I'm a sophomore in college now, and I spend all of my time studying. Just kidding about that last part!

How *do* you spend your time?
Having *way* too much sex.

Do you still like guys to come on your awesome boobs?
Yes, but you know what else I like now? For a guy to come on my face.

What do you like about it?
It's so dirty! I love to feel that hot splash, and then it drips down, and I lick it up. *Yum*!

Not all girls like that.
They should try it. Look at how nice my skin looks!

So basically jizz is part of your beauty routine.
Ha-ha, yes! And my main exercise is sex! Did you know that fucking burns 200 calories?

No, I'm a lonely single girl. Does excessive masturbation burn calories? LOL.

Yes, I read that it burns, like, between 150 and 200 calories. But I never play with myself. I just want the real thing.

What's your favorite sexercise?

When someone licks my pussy, that's the best. Actually, *second* best. The best is when they lick my butthole.

Dixie! That's so dirty!

I know! My pussy gets *insanely* wet. One time a girl was licking my b-hole, and a guy was licking my pussy, and he got a mouthful! But he didn't mind, 'cause I taste good.

Hey, wasn't that your fantasy, to be with a guy and a girl?

No, my fantasy is to be with a guy and *two* girls. I'm working my way up! ★

BARELY LEGAL BUSH

★★★★

HUSTLER Video. Directed by Will Ryder; starring Carmella Santiago, Honey Dejour, Britney Ray, Destiny Day, Laurie Vargas, Aaron Wilcox, Kurt Lockwood, Billy Glide, Sebastian Silver and Lee Stone.

I know a lot of you guys *lo-o-o-ve* to see girls with hairy hoo-hahs. The stars of *BARELY LEGAL Bush* don't *just* have hair down there—it's like they have furry woodland creatures living on their crotches! And the camera guy zeroes in on all those hair pies like he's tracking Sasquatch. The guys love going down on these fur burgers, and the ladies spend plenty of time showing off their pussy pelts in positions like reverse cowgirl, missionary and good old-fashioned spooning. But we're talking about BARELY LEGAL girls here, so it's not like they just stand around looking pretty. Even if you don't have a thing for bush, there's tons of hot and horny sex going on in this movie. Honey Dejour, with her ginormous boobs and cute braces, is super hot from top to bottom. And talk about hungry for cock! Curvalicious cutie Laurie Vargas is a total bombshell who can take a pounding. Then there's poor Britney Ray, who has the wispiest bush of the bunch. But who cares, because she's super cute. Not every girl can grow a forest between her legs! If you want to see some grass on the field, then you'll love playing ball with *BARELY LEGAL Bush*.

Honk if you love Honey's boobs.

Britney's not afraid of a little jaw dislocation.

Jizz keeps Honey's braces shiny.

Push, push, in Carmella's bush.

Sebastian fulfills his Destiny.

LINDSEY MEADOWS

splendor in the grass

Hey! Shawna the intern here with porn starlet Lindsey Meadows. This girl is out of control—in a good way!

Hey, Lindsey! I watched a couple of your DVDs and—WOW. You are *wild*.
Thank you!
Even when you're just, like, masturbating, you're super intense.
Yeah. I have rough sex with myself!
You fucked yourself so hard with that one vibe, I was afraid for your cooch.
LOL! Well, the harder the better for me. That's how I get off.
And then even after you come, you don't stop!
One orgasm is never enough for me. It's like, I have one, and then I'm *more* horny.
Would you say you're a nymphomaniac?
I don't like to label myself. I just love sex!
If you need like a million orgasms, how can anybody ever satisfy you?
I get satisfied! I mean, eventually I reach my limit. I love to fuck to the point of exhaustion.
What's your favorite thing to do sexually?
I *love* to suck cock. I actually have to hold back sometimes, 'cause otherwise I'll suck and suck until he comes, and then we have to wait to have sex.
Do you swallow?
Of course, why wouldn't I?
What do you think is your best physical feature?
My pussy. It brings joy to myself and others.
I notice you don't shave your pussy bald like most porn stars.
I like to keep a little hair down there. I think it's sexy. And I don't want to look like everybody else, anyway!
What's your favorite sex position?
Cowgirl. I love to be on top. Sometimes I'll do reverse cowgirl so I can show off my ass.
Do you like anal?
Actually, that's the one thing I *don't* really do. It doesn't appeal to me.
Do you like girls?
Yes, girls are hot and delicious.
Which do you like better, girls or guys?
Guys. Girls are fun, but honestly, there's no substitute for a hard cock.
What's your best sex talent?
I squirt. Things get very messy sometimes!
Have you ever squirted in someone's mouth?
No, it only happens during fucking. If a guy's dick hits the right spot deep inside—GUSH.
I always wondered what girl jizz would taste like.
It tastes like sugar water.
What? How do you know?
I scooped some up once with my finger and tasted it. It's nice, but it's almost, like, too clean. I prefer the taste of cum. Or my pussy.
How do you know what your pussy tastes like?
I always lick my vibrator after I come. I'm kind of addicted to it.
Lindsey, you are *definitely* the wildest girl to ever be in BARELY LEGAL! ★
